Fiduciary Advisors, Inc. Welcomes New Team Member, Natalie Schaefer, CPA

October 13, 2008- St. Louis, Missouri, USA- Fiduciary Advisors, Inc. (www.fiduciaryadv.com) is proud to announce its newest addition to their team of professionals. Natalie Schaefer, CPA has joined Fiduciary Advisors as an associate. Ms. Schaefer has a broad base of experience in areas critical to enhancing the fiduciary, investment and retirement plan advisory services provided to Fiduciary Advisors, Inc. clientele. Ms. Schaefer has been an auditor of employee benefit plans and financial institutions, a third party administrator for employee benefit plans, and has become a registered advisory representative of Fiduciary Advisors, Inc.

Fiduciary Advisors, Inc. can now offer services designed to assist sponsors of employee benefit plans subject to ERISA audit requirements with providing information requested by their auditors such as:

- Documentation of the control environment
- Year end trial balance and reconciliation of same to investment account statements provided by asset trustees or custodians
- Preparation of financial statements and other accounting reports
- Fiduciary Risk Management

"I believe my background allows me to fill a gap between CPA firms, who are required to maintain independence from their clients, and benefit plan sponsors, who might have difficulty in allocating resources needed to prepare for audits," commented Ms. Schaefer. "Our services will allow plan sponsors to better demonstrate that they can produce auditable financial records and statements as required under ERISA. This in turn could improve audit quality, efficiency and timeliness and reduce fiduciary risk."

Fiduciary Advisors, Inc. (FAI) is a Registered Investment Adviser under Investment Advisers Act of 1940, and currently registered with the U.S. Securities and Exchange Commission. Fiduciary Advisors, Inc. primarily serves employee benefit plan sponsors and other fiduciaries. In addition to investment advisory and the audit support services described above, Fiduciary Advisors, Inc. provides consulting services to plan sponsors with retirement plan compliance or operational issues and to plan or trust fiduciaries recognizing the need to manage fiduciary risk by creating and maintaining procedures and documentation necessary to demonstrate proper execution of their fiduciary responsibilities.
